MOUNTLEBANONRESTAURANT

Mount Lebanon is a mountainous area that runs along the Mediterranean Sea for a distance of 160km and defines the eastern part of it, which is located entirely in Syria with the Kalloum mountain range. The peak of the highest mountain range is about 3088m making it the highest peak in Lebanon and Levant.

Our Restaurant is named after the great Lebanese landscape that runs along the Mediterranean sea, mount Lebanon transports the adventurous flavours of the region and brings it to your plate to enjoy with great pleasure.

All our food is made fresh to order using local sourced ingredients. We can also for all events like weddings, birthdays and offer a range of homemade cakes made to order.
